

Course Availability for the 2024-25 School Year

Courses Highlighted **RED** are full. Students can be added to a waitlist if spots open.

Courses Highlighted **YELLOW** have few spots remaining.

Courses in **BOLD** are only offered once by an OJSH teacher in the year. Students may take the course through Independent Studies or our Outreach if needed.

Nearly ANY course can also be taken through our outreach or independent studies class.

This list will be updated to reflect shifts in student requests.

Making a Request to drop/add classes:

#1 - Use the availability chart below to determine what is available. *Please note Grade 10s and 11s should have a full course load (no spares).*

Parent permission is required to drop core courses (entirely or by a level)

#2 - Change can be done one of two ways:

- a. Students get a course add/drop form from the office on September 6. They complete the form and drop off at the office. They will be called to the office when their change has been made.
- b. Parents may e-mail paul.jespersen@ngps.ca to request a change. These will be processed in the order they are received starting August 19.
